PAINTECH

ENGINEERING THE FUTURE OF COATINGS

INTERNATIONAL EXPO ON
PAINT & COATINGS TECHNOLOGY

14-16, MAY, 2027 | Chennai Trade Centre | Chennai | India

Supported by

About ORGANISER

FAIR CONNECTS INDIA (FCI) is an Evolving Chennai-based, professionally managed exhibition organizing company delivering high-impact B2B trade fairs and conferences across India. We create focused business platforms that connect manufacturers, suppliers, buyers, policymakers, and innovators under one roof.

Our core strength lies in conceptualizing and delivering sector-specific exhibitions that generate measurable business outcomes for exhibitors, sponsors and visitors—backed by over 20 years of expertise in the exhibition industry.

At FAIR CONNECTS INDIA (FCI), we specialize in conceptualizing and executing premium exhibitions for high-growth sectors of the Indian economy. With a strategic, data-driven approach and world-class execution standards, we help industries showcase innovation, expand markets, and build long-term partnerships.

About PAINTECH

PAINTECH is India's dedicated B2B expo platform for the paint, coatings, raw materials, and surface technology industry.

Designed to align with South India's fast-growing industrial and infrastructure sectors, the expo connects manufacturers, suppliers, and technology providers with high-value buyers across the region.

With strong growth in construction, automotive, and industrial manufacturing, Chennai and Tamil Nadu have emerged as key hubs for the coatings industry.

PAINTECH brings together industry leaders, R&D experts, manufacturers, and global innovators to shape the future of coatings in India.

INSIGHTS

☑ Industry Snapshot – Paint & Coatings Growth
☑ India paint industry growing at 10–12% CAGR
☑ Tamil Nadu among top industrial coating markets
☑ Decorative paints driven by housing & urbanization
☑ Industrial coatings rising due to manufacturing growth
☑ Coatings industry is a critical pillar of industrial and infrastructure development

FOCUS TAMIL NADU

As Tamil Nadu accelerates toward becoming a $1 trillion economy, demand for industrial coatings, decorative paints & advanced surface technologies is rising rapidly.

Tamil Nadu: A Coatings Growth Hub

☑ Strong presence of automotive & manufacturing industries
☑ Rapid urbanization and real estate growth
☑ Expansion of industrial corridors & exports

Major Demand Drivers:

☑ Construction & real estate
☑ Automotive & EV sector
☑ Industrial manufacturing
☑ Marine & infrastructure coatings

Why PAINTECH Matters Now?

Tamil Nadu is emerging as:
☑ A manufacturing powerhouse
☑ A major automotive and EV hub
☑ A leader in industrial coatings demand
☑ A fast-growing infrastructure market

This creates strong demand for:

☑ Decorative & industrial paints
☑ Powder coatings
☑ Protective & marine coatings
☑ Green & low-VOC technologies
☑ Automation in paint application

WHY EXHIBIT AT PAINTECH?

☑ Access high-value B2B buyers
☑ Launch new products
☑ Build brand authority
☑ Expand dealer & distributor network
☑ Showcase innovations in coatings

EVENT HIGHLIGHTS

- International Exhibitors
- Live Product Demonstrations
- Technical Conferences
- B2B Networking Sessions
- Product Launches

WHO SHOULD EXHIBIT AT PAINTECH?

Position your brand at the centre of South India's booming coatings and paint market.

EXHIBITOR PROFILE

Paint Raw Materials & Specialty Chemicals
Resins & binders (acrylic, epoxy, PU, alkyd) I Pigments & dyes (organic, inorganic, effect pigments) I Additives (dispersants, defoamers, rheology modifiers) I Solvents & plasticizers I Fillers & extenders I Nanomaterials & functional materials

Paint Formulation & Laboratory Technology
R&D lab equipment I Testing & quality control instruments I Analytical & measurement systems I Colour matching & formulation software I Spectrophotometers & testing devices

Paint Manufacturing & Processing Technology
Mixing, blending & dispersion equipment I Grinding & milling systems I Batch & continuous production plants I Automation & process control systems I Filling, packaging & labelling machinery

Paint Application & Coating Technology
Spray painting systems (airless, electrostatic) I Powder coating equipment I Surface coating machines I Robotics & automated coating systems I Curing technologies (UV, IR, thermal)

Paint Surface Treatment & Preparation
Surface cleaning systems I Shot blasting & sand blasting I Chemical treatment solutions I Pre-treatment technologies I Surface finishing systems

Paint Industrial & Protective Coatings
Anti-corrosion coatings I Marine & offshore coatings I Oil & gas coatings I Heavy-duty protective systems I Fire-resistant coatings

Paint Automotive & OEM Coatings
Automotive paints I OEM coatings systems I Refinish coatings I EV-specific coating technologies

Paint Eco-Friendly & Sustainable Coatings
Low VOC / zero VOC paints I Water-based coatings I Green chemistry solutions I Bio-based coatings I Energy-efficient coatings

Paint Advanced & Smart Coatings
Anti-bacterial coatings I Self-cleaning coatings I Heat-reflective coatings I Nano coatings I Functional & intelligent coatings

Paint Digital & Smart Solutions
ERP for paint manufacturing I AI-based formulation tools I Digital colour platforms I Industry 4.0 solutions

Paint Consulting, Services & Associations
Technical consultants I Industry bodies I Certification agencies I Testing labs Training institutes

WHO SHOULD VISIT PAINTECH?

Whether you're looking to buy machinery, equipment, explore new technologies, build partnerships or expand your business, this expo brings together the entire paint & coatings ecosystem under one roof.

VISITOR PROFILE

- Paint & Coatings Manufacturers
- Automotive & OEM Companies
- Construction & Real Estate Developers
- Industrial Manufacturing Companies
- Architects & Interior Designers
- Dealers & Distributors
- Chemical & Raw Material Buyers
- R&D Professionals
- Government & Infrastructure Authorities
- Start-ups & Academia

WHY SHOULD ATTEND PAINTECH?

"Where the coatings industry meets to innovate, connect, and grow."

- ☑ Discover latest coating technologies
- ☑ Explore complete value chain
- ☑ Unlock new business opportunities
- ☑ Meet industry leaders
- ☑ Experience live demos

WHAT YOU WILL DISCOVER?

- ☑ Discover latest coating technologies
- ☑ Explore complete value chain
- ☑ Unlock new business opportunities
- ☑ Meet industry leaders
- ☑ Experience live demos
